

treephoto 2011

The search is on! We're looking for the best tree climbing, tree work or just tree-related photos, and we've got some great prizes on offer for the winners. You could win an ART Spiderjack II, ATRAES MicroFrog SRT system or DMM Impact Block (L), plus you get to show off some of your best tree pics to the climbing community!

TREE WORK

dodeni

Photos submitted in this category should show some sort of tree work in progress, whether it is light pruning, heavy rigging, felling, blocking down...

First prize: DMM Impact Block (L)

OPEN CATEGORY

Arty photos of trees, pictures of your ruined gear or the animal you met in the canopy... or something which could fit in either of the other two categories.

First prize: ATRAES MicroFrog SRT

TREE CLIMBING

Photos submitted in this category should show climbers in trees, but it could be at a comp or recreational climbing... or just out on a branch enjoying the view.

First prize: ART SpiderJack II

HOW DO I ENTER?

It's easy. You can submit up to three photos to be considered in the competition — one photo in each of the three categories (see above). To submit your photos, send them as an attachment in an email to the address below. Just remember to make it clear in the email which category you are entering with each photo! And do remember that you can only send in one photo for each category: any extra photos sent will not be considered in the competition.

HOW WILL THE COMPETITION BE JUDGED?

A panel of judges will be assembled from the sponsors and the climbing community.

WHAT WILL HAPPEN TO MY PHOTOS WHEN I SEND THEM IN?

Space permitting, all photos submitted will be displayed in an online gallery. You will retain ownership of your pictures (this isn't FaceBook or anything) but by submitting your photos, you give the organisers of the competition and its sponsors the right to use your photos online and in any other media. That's a fancy way of saying that, if your photos are good enough, they might make it into future catalogue or gear site. If that's something which would bother you, it may not be a good idea to enter this competition.

SEND YOUR PHOTOS TO: treephotos2011@gmail.com MAKING IT CLEAR WHICH CATEGORY YOU ARE ENTERING
